## Bassetlaw Integrated Care Partnership (ICP): Board Summary, October 2019

The Board meeting was hosted by the **School of Artisan Food**, on the Welbeck Estate, and the Board enjoyed a tour of the school after the meeting. In addition to providing courses for the public, the school work with food producers and schools to promote sustainable food production.

A report was received providing an update on the implementation of the **'Better in Bassetlaw Place Plan, 2019-2021'**, including its contribution to the requirements of the national NHS Long Term Plan.

The Board were presented with the updated **Transport Strategy**, and a report from the **Bassetlaw Together** group, which provides an integrated commissioner and provider forum across NHS, local government and third sector, as an incubator of partnership working on cancer, urgent care, home first, dementia, frailty and mental health. Both were endorsed and are now available on the [www.betterinbassetlaw.co.uk](http://www.betterinbassetlaw.co.uk) website.
